USBC MORAL REPORT SANCTIONED

USBC members only may qualify for USBC awards. Eligible non-members may qualify for USBC awards after paying the USBC non-member fee. Associate Membership Card \$30.00.

ENTERING AVERAGES - CONDITIONS THAT APPLY

Bowlers must use the highest applicable certified league average, based on tournament rules. Bowlers without an established average, or with an average subject to adjustment, must comply with the tournament director and USBC rules. Tournament management reserves the right to re-rate any entrant prior to or after bowling. All averages are subject to verification.

BOWLING OPPORTUNITIES

An Elk bowler may bowl more than once in the team event, however, only once in doubles and singles. A bowler after completing his team shift may act as a substitute on another team shift. Scores by the substitute will be used in determining prize awards; however scores registered the first time a participant bowls in a team event shall determine his or her all-event total.

DOUBLES-SINGLES EVENT

All bowlers entering the doubles-singles must enter in BOTH events. Doubles bowled first, then Singles.

HANDICAP PERCENTAGE USED

Each bowler shall receive ninety-five percent (95%) of the difference between his or her average and 230 in each event entered. Handicaps are calculated on an actual basis as per the USBC handicap manual.

PRIZES

Prizes returned 100% in cash and prizes at a ratio of 1 out of 8. The champions in each event shall be determined by actual pin fall and will receive championship awards. Awards shall be given to the highest individual actual pin fall in each minor event. A special award will be given for each 300 game and 800 series bowled during this tournament.

USBC Awards

Any bowler who qualifies for a USBC Award must come to the tournament office after completion of bowling to fill out the application and sign it to assure it.

SUBSTITUTION AND LINE-UP CHANGES

Only two substitutes are permitted on any team, one in the doubles, and none in the singles. ALL LINE UP CHANGES MUST BE MADE AT LEAST 48 HOURS AND SUBSTITUTIONS MUST BE MADE AT LEAST ONE HOUR BEFORE THE SCHEDULED TIME OF BOWLING. A substitute must bowl in the same position as the bowler they replaced. There are no line-up changes permitted in the doubles.

BOWLING TIME AND SCHEDULE

All shifts will start promptly at the time set forth in the official schedule. A copy of the official schedule will be sent to each team captain. Any individual or group arriving late shall begin play with the score to count from the frame then being bowled (USBC Rule 322). The tournament schedule is designed to allow for each bowler to complete his/her tournament games in the allotted time. Unless otherwise specified above, all USBC tournament rules and regulations will apply.
